The SHARE, Journal of Service-Learning is a peer-reviewed journal for college or university faculties and practitioners of service-learning or community service from various academic disciplines, published twice a year, in February and August. SHARE has been accredited as the 4th rank by the Ministry of Education, Culture, Research, and Technology of the Republic of Indonesia, with its decree No. 225/E/KPT/2022.

The first edition of SHARE is published in December 2013 by Institute of Research and Community Outreach, Petra Christian University.
